Collect food for UCM's Cynthia Hull Food Pantry

During the summer months, families with children who rely on Fairfax County's school lunch program find it extremely difficult to put enough food on their tables at home.

HOW TO HELP: Please consider organizing a food drive on your street or in your neighborhood.

Let us know what streets you can cover. We will double check to make sure there isn't any duplication of efforts. You can sign up and/or learn more about this food drive by e-mailing your questions to mtvernonfooddrive@gmail.com.

Thank you so much for your help!
